Our Vision :

- To build good institution to produce good human capital.
- To organise knowledge society towards making a knowledge economy.
- To groom the progeny competent to take leadership in the society for upliftment from the darkness.
- Civic centre of higher education by putting the academic excellence to work to make a comprehenship contribution to the civil society.
- To kindle light and focus on women education in the outreach and beyond where conservative society still prevails.
- To create a scholastic atmosphere strengthening the four pillars of learning for reshaping education (i) learning to know (ii) learning to do, (iii) learning to be (iv) learning to live together.
- To create centre of research and innovation in teaching - learning and skill as well as technology through in-campus and reach out programmes.

- To play leading role in educational, social, cultural and economic development of the North East India.
- Develop as Centre for potential of excellence in national and international level.

Mission :

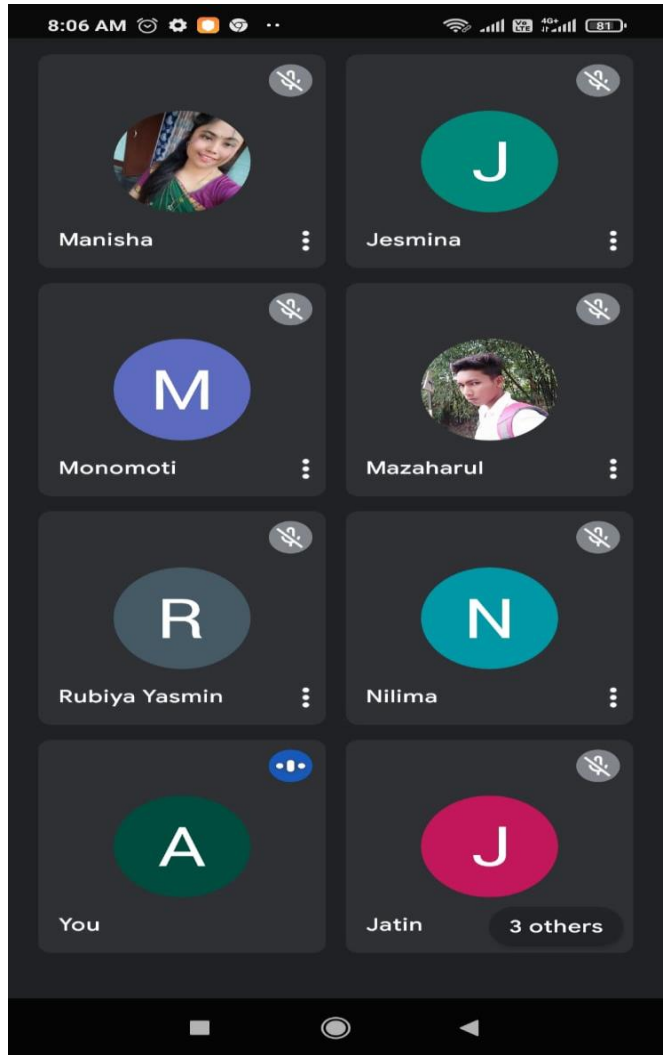

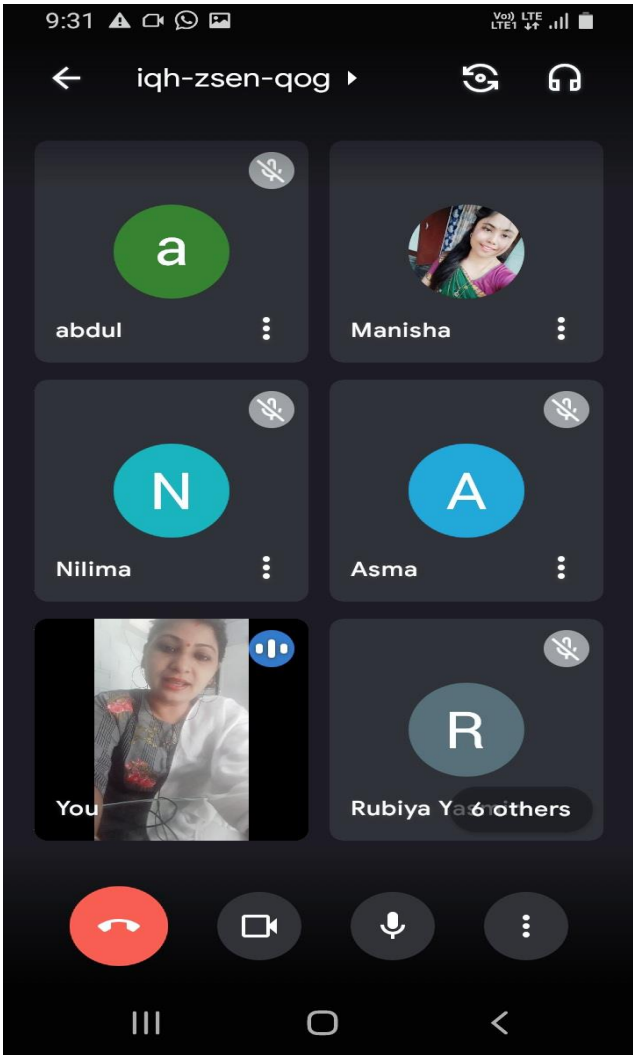

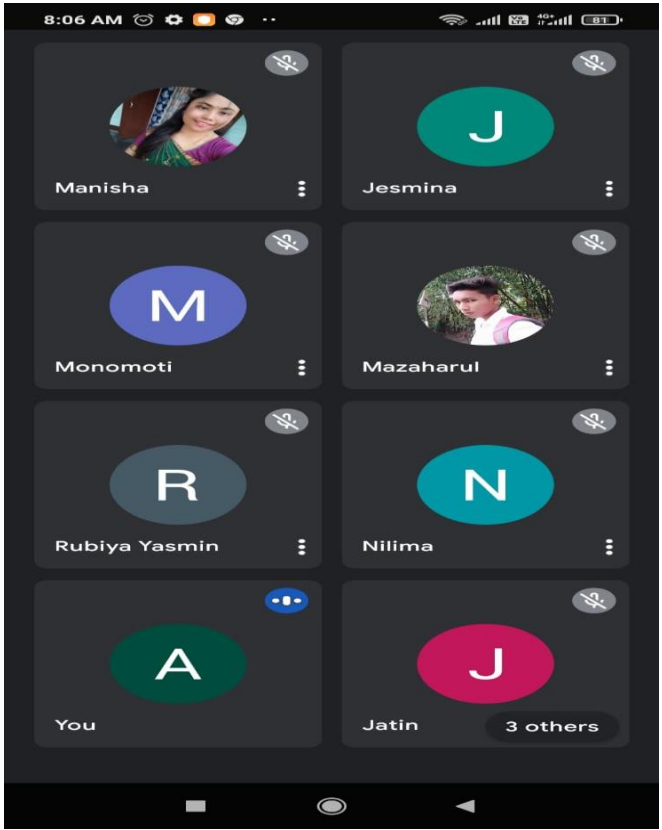

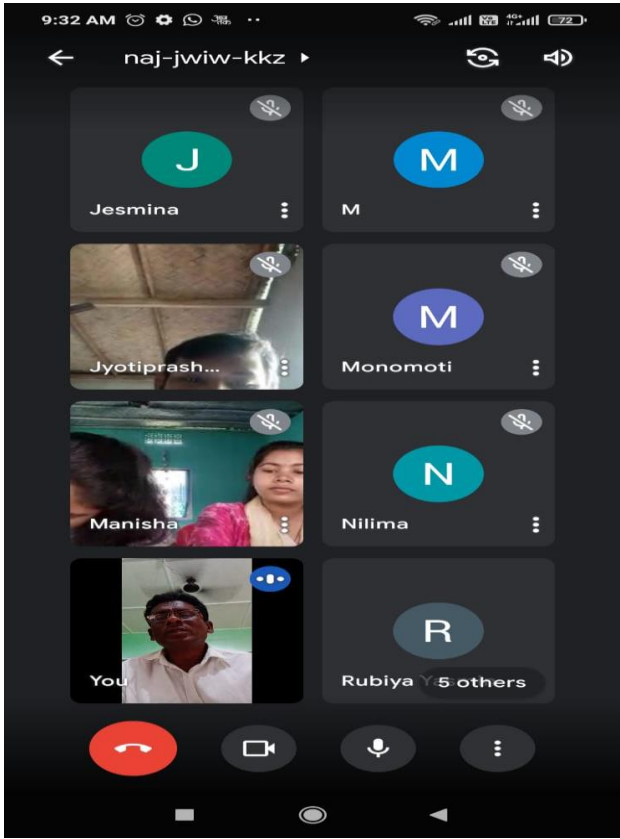

In materializing the vision we are acting on mission strategy as :

- To impart quality teaching and facilitate learning of the highest standard.
- To strive for educational innovation, technology mediated teaching learning process.
- To emphasize on curricular and co - curricular activities towards making 'perfection in man'.
- To implement the academic programmes for vertical expansion in diverse disciplines and horizontal expansions from learning to research.
- To establish linkages with institution to institutions, institution to industries, institution to society for expansion of knowledge, skill, employability and welfare.
- To inculcate scientific temperament in social behavior integrated with art, culture, heritage and religious tolerance.
- To extend support in civic life and living by generating awareness, communication by dissipation of technocracy and dissemination of information on rights and privileges adopting villages and also identified students in areas where people are poverty stricken, disadvantaged and victim of natural disaster.

The college over recent years speeds up changes in creating human resources of eminence to contribute positively to

- (1) generation of knowledge and social commitment through humanism and tolerance.
- (2) innovating ideas for the adventure in search of truth through way of reason.

The college pledges to ensure the suitable infrastructure, to provide access to learning facilities and research enabled environment for nation building with personality development. The institution steps to catch up weak, mediocre and talents as well as haves and have-nots as input to mould as human wealth output.
