PROSPECTUS 2023-24

Principal's Message

We the entire family of West Goalpara College welcome all of you to this pinner Higher Educational institute.

We belief education being the most patent index for inclusive growth. It has been a means for disadvantage groups to move out of their unfavourable economic position. It is the manifestation of love and my most cherished possession. Education drives away ignorance and through illumination it emboldens a man to a righteous thought and action. It empowers a woman and enlarges the horizon of her mind and energizes a society and enables people to earn their living with respect and praise. With that hope West Goalpara College was establish at a very interior place, Ambari of western part of Goalpara district in 1981. The main vision and mission of the College is to spread the light of education to these backward region. Here we try to impart quality education to our students, who come from various interior places and we try our best to build them as good human being and good citizen. This college has emerged as the only Higher Educational institution in this area in parting education to almost Two Thousand students from Goalpara, Dhubri, Mancachar districts of Assam and some neighbouring part of West Bengal & Meghalaya. The two streams of Science and Arts with 14 departments and excellent and experienced faculty make the College as one of the most prestigious institute in the entire Goalpara district. We try to maintain discipline, punctuality and regularity among our students. West Goalpara College endowed with progressive futuristic outlook aims continual growth in the quality of all academic activities with a sense of commitment to fully meet the expectations of the students, parents and society at large. Our priority is to gives preference not only to the students who excel in academic but each and every students who are best in their own field so that they can successfully build themselves in their future.

Our college cares for the individual development of each and every student. We follow “mentor system” under which each class is put into the multi-pronged web of a teacher. We accord prime importance to the behavioural discipline, moral integrity and cognitive developments of our students. Departments of Youth Welfare, NSS, Physical Education, Career Guidance Cell, Readers Forum, Red Cross Society, Red Ribbon Club and Centre for Women Empowerment offer integrated services for the multi –faceted developments of our students. Our teachers strive to teach not only academic programmes but also life skills needed for students’ self-development with highly resourceful faculty.

The College faces Two times NAAC assessment and get B and B+ which is the highest point in the entire district and preparing for Third Cycle NAAC inspection.

I wish the best of fortune, peace and prosperity to all those who contribute to the noble task of spreading education and it manifest qualities, aims and objectives. Thank you

Dr. Manisha Bhattacharyya
M.Sc., M.Phil., Ph.D.
Principal

ABOUT OUR COLLEGE:

No religion is greater than service. Teaching and learning is not only for the sake of livelihood but also for the welfare of society, that relates 'serving humanity is serving God'-that is the basic philosophy of education. Over the 42 years West Goalpara College has been facilitating higher education over 70 thousand students since 1981, the establishment of the college. Students quench thirst of knowledge to use in their lives, the kind of education imparted in our Institute lasts forever which is deep rooted in encouraging our students to be self-reliant livelihood, inquisitive knowledge hunt, positive productive in work and in mindset tolerant in attitude. The education that we impart gives the students enormous scope for independent thinking and faces the different challenges they confront in the society. We try to impart knowledge having relevance to character and personality building, discipline and co-existence, empowerment for standing on own footing and realities in practical life. Hence, we infuse the spirit of inquisitiveness into the minds of young students to stand in a better position when confronted with crisis. We not only empower the students but see that their inherent strength is tapped and nurtured and enriched to sustain them forever. We insist on the facilities to involve beyond teaching in impact research undertaken with the available resources; we also strive to emphasize in extension of research output for the benefit of the society. We groom the students to cope up with global learning, high thinking and motivate them to work together for the good of the society. We make tireless efforts to build up capacity of our students to become responsible citizens in the making of modern India.

THE COLLEGE EMBLEM:

Symbolized the beacon of light to remove darkness from the earth scattering a sweet aspiration and ignited knowledge, brightness, discipline and excellence.

COLLEGE AT A GLANCE:

1. Name of College : West Goalpara College.
2. Location : Situated at Ambari at a distance of 25 KM West from Goalpara Town and on the South bank of river Brahmaputra.
3. Postal Address : P.O.-Balarbhita, P.S. -Baguan, Pin-783129, Dist.- Goalpara, Assam, India.
4. Date of establishment: 21st August, 1981.
5. Category of College: Provincialised.
6. Nature of affiliation : Permanent
7. University affiliated: Gauhati University, AHSEC, Assam and KKHSOU
8. Financial category: Govt. of Assam and University Grants Commission.
9. Course offered : +2 Years H.S. (Arts & Science) &, Four-Year Undergraduate Programme (FYUGP) Under Gauhati University
11. NAAC Accredited: B (+) Grade in 2016 (Cycle-II)

MISSION AND VISION:

Our mission is to facilitate comprehensive and integrated development of individuals for an effective function as social beings be honesty, integrity and civilized discourse and behaviors. Throw light on hither to neglected section of women community and translated the dream of women's education into reality in the part of our country and our vision is to become a centre of excellence of learning.

MOTTO:

Discipline, Excellence, Hard work, and service. We offer education to our students to overcome many challenges.

1. Think independently, 2. Write independently,
3. Speak independently, 4. Live independently (Self dependent)

To face the challenges in the life to serve not only his / her family but also whole Nation / Mankind. We also emphasize on purposeful education based on four pillars of learning.

1. Learning to know;
2. Learning to do;
3. Learning to live together and
4. Learning to be.

NEP 2020 for Higher Education

The National Education Policy 2020 for higher education aims to transform the existing higher education system in India. This policy emphasizes on promoting interdisciplinary studies, introducing new subjects, and providing flexibility in courses and fresh opportunities for students. It aims to increase the Gross Enrolment Ratio (GER) in higher education, provide multiple entry and exit options, and allow students to choose courses according to their interests and aptitude.

The policy envisions setting up of a National Research Foundation, a National Education Technology Forum, and setting up of more Higher Education Institutions in the country. The policy is aimed at creating a holistic and flexible education system that is adaptive to the needs of the 21st century.

National Education Policy 2020 for Higher Education Highlights

1. The policy aims to increase the Gross Enrolment Ratio (GER) in higher education to 50% by 2035.
2. Around 5 crore seats to be added in higher education.
3. The policy proposes the establishment of a National Research Foundation (NRF) to fund and promote research in all disciplines.
4. The policy recommends the establishment of a single regulator for higher education, called the Higher Education Commission of India (HECI), to replace multiple regulatory bodies.

5. The policy proposes the introduction of a four-year multidisciplinary undergraduate degree, with multiple exit options and opportunities for skill development.
6. The policy proposes the establishment of a National Educational Technology Forum (NETF) to promote the use of technology in higher education.
7. The policy recommends the development of a credit-based system for degree programs, which would enable students to pursue multiple degrees or programs simultaneously.
8. The policy proposes the establishment of a National Academic Credit Bank (NAC-Bank) to facilitate the transfer and accumulation of academic credits across institutions.

NEP 2020 for UG Courses

According to the NEP, undergraduate students will now have the opportunity to choose from several exit points in their program. For instance, a student may decide to leave after the first year, earning a certificate. If they leave after the second year, they will receive an Advanced Diploma for completing two years of study. Completing the third year will result in a Bachelor's Degree, while the fourth year will merit a Bachelor's of Research, as usual.

Option No.	Options	Academic Recognition
1	After 1st year of UG programme	Certificate
2	After 2nd year of UG programme	Advanced Diploma
3	After 3rd year of UG programme	Bachelor's Degree
4	After 4th year of UG programme	Bachelor's with Research

Admission Information

The Directorate of Higher Education, Assam has launched a new portal called SAMARTH. SAMARTH Admission Portal has been launched by the Education Minister of Assam on 14th June 2023. SAMARTH Admission Portal is a common application portal of Assam where students can apply online for admission to undergraduate courses. On this portal, students can submit admission applications for courses like BA, BCom, BSc etc. Earlier, a similar initiative has been taken by the Government of Assam for higher secondary first year admission by launching the DARPAN portal.

Admission Timeline For Higher Secondary

SL NO	EVENTS	TIMELINE
1	SUBMISSION OF ONLINE APPLICATION BY APPLICANTS.	Upto 17 th June, 2023
2	PREPARATION OF SELECTION LIST /WAITING LIST BY THE INSTITUTION	19 th June, 2023 to 21 st June, 2023
3	PUBLICATION OF PROVISIONAL SELECTION LIST /WAITING LIST (VALID UP TO 24 th June, 2023)	21 st June, 2023 (MIDNIGHT)
4	ACCEPTANCE OF ADMISSION BY STUDENTS	22 nd June, 2023 to 24 th June, 2023
5	CONFIRMATION OF ADMISSION IN "DARPAN" BY THE INSTITUTION. (ONLINE)	26 th June, 2023 to 28 th June, 2023

For Four Year Undergraduate Programme

TIME-LINES

6	Closing of offline Admission in 3 rd Merit List	19 July, 2023
7	Spot Admissions (Offline)	20-22nd July, 2023

COURSES AND PROGRAMMES

The College offers following courses of studies:

1. Two years Higher Secondary in ARTS & SCIENCE
2. Four years Undergraduate Programme FYUGP in ARTS & SCIENCE
3. HS Level Certificate Course under AHSCE (State Open School) under KKHSOU.
4. P.G. in English, Assamese, Eco, Pol. Science, History, Education and Mathematics.

(Under GUIDOL & KKHSOU)

SEAT CAPACITY

Under AHSEC

Course	Duration	Seat	Eligibility
HS (Arts)	2 Years	800	HSLC/AHM
HS (Science)	2 Years	200	HSLC/AHM
HS (Open School)	1 Year	150	HSLC/AHM

Under Krishna Kanta Handique State Open University

Course	Duration	Seats	Eligibility
BA	3 Years	150	HS
PG (Ass, Edu & P.Sc)	2 Years	120 / 120	B.A.
HS (Open School)	1 Years	120	HSLC/HS (F)

COURSE OFFERED:

A. HS (Arts & Science):

1. English and Environmental Science is compulsory for HS First Year
2. In admission a student will have to opt for a Modern Indian Language (MIL) or Alt. English.
3. A student can select maximum four subjects from the following, three of them are compulsory & one is additional

For ARTS: i. Political Science, ii. Education, iii. Economics, IV. History, v. Arabic, vi. Geography, vii. Mathematics, viii. Logic & Philosophy, ix. Swadesh Adhayan, x. Bihu

For SCIENCE: i. Physics, ii. Chemistry, iii. Biology, iv. Mathematics.

B. Four Year Undergraduate Programme (FYUGP) Under Gauhati University

Centre for Distance and Online Education (CDOE) under Guwahati University:

The following subjects are permitted for pursuing MA in ODL study centre West Goalpara College.

- A. English
- B. Assamese
- C. Pol. Science,
- D. M.Sc (IT)

FEE STRUCTURE :

Fee structure will be notified later on the basis of Govt. guidelines.

MEDIUM OF INSTRUCTION :

The medium of instruction is either Assamese or English in both general and major Courses.

FEES TO BE PAID FOR HOSTEL ADMISSION:

Boys Hostel: Total Rs. 3600.00 Girls' Hostel: Total Rs. 3600.00 (To be refundable at the time of Departure)

UNIFORM DRESS OF COLLEGE:

The prescribed uniform pattern for all students of the college

A. Boys Cream color shirt & deep coffee color pant with college badge is compulsory.

B. Girls Cream color Kamij & deep Coffee color Salwar / Boarder deep Coffee color Sharee with body cream color with Deep Coffee color blouse and college badge is compulsory.

Regulations for Four-Year Undergraduate Programme (FYUGP)

Gauhati University

Approved by the Academic Council, Gauhati University on 13
May, 2023.

Introduction:

The Four-Year Undergraduate Programme (FYUGP) under Gauhati University is based on the National Education Policy (NEP) 2020. The policy recognizes that higher education plays an extremely important role in promoting human as well as societal well-being. The policy also endeavours developing India as envisioned in its Constitution – a democratic, just, socially conscious, cultured, and humane nation upholding liberty, equality, fraternity, and justice for all. NEP 2020 notes that “given the 21st-century requirements, quality higher education must aim to develop good, thoughtful, well-rounded, and creative individuals”.

The FYUGP is designed to cater to the diverse academic needs of the student and seeks to offer options of multiple entries / exits and obtain a Certificate or a Diploma or Degree with or without Major or a Degree (Honours) or a Degree (Honours) with Research at various levels as stipulated under the policy.

Definitions

(a) Choice Based Credit System (CBCS)

CBCS means is a flexible system of learning where ‘Credit’ defines the quantum of contents/ syllabus prescribed for a course and determines the number of hours of instruction required. This system permits students to

- Learn at their own pace,
- Choose electives from a wide range of elective courses offered for the pro-gramme,
- Undergo additional courses and acquire more than the required number of credits ,
- Adopt an inter-disciplinary approach in learning,
- Make best use of the expertise of available faculty.

(b) College

The term ‘College’ means the colleges and institutes affiliated to or permitted by Gauhati University for conducting different academic programmes.

(c) Academic Council

Academic Council means the Academic Council of Gauhati University.

(d) Committee of Courses and Syllabus (CCS)

CCS means the Committee of Courses and Syllabus in various subjects of Gauhati University.

(e) Department

The term 'Department' is used to mean an academic Department of Gauhati University or a College / Institute affiliated to Gauhati University.

(f) Programme

The term 'programme' is used to mean the whole learning experience or combination of courses under FYUGP leading to a Certificate, Diploma or Degree. The traditional concept of 'course' is replaced by 'programme'.

(g) Course

A Programme is divided into a number of 'courses'. A course is a unit of instruction or segment of subject area under any programme. The traditional concept of 'paper' is replaced by 'course'.

(h) Academic Year

An academic year means a period of twelve months consisting of two semesters comprising of a total of 180 working days.

(i) Semester

The word 'semester' is used to mean a half-yearly term or term of studies comprising of 90 working days including examinations, vacations and semester breaks.

(j) Summer Term

A summer term is for eight weeks which includes summer vacation. Internship/apprenticeship / work-based vocational education and training can be carried out during the summer term, especially by students who wish to exit after two semesters or four semesters of study. Regular courses may also be offered during the summer on a fast-track mode to enable students to do additional courses or complete backlogs in coursework.

(k) Major

Major is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (50% of total minimum credits) through core courses in the concerned discipline.

(l) Minor

Minor is the discipline that helps a student to gain a broader understanding beyond the Major discipline.

(m) ABC

ABC or the 'Academic Bank of Credits' refers to the initiative of the Ministry of Education, Government of India where a student's academic credit is consistently deposited into the ABC.

Programme and curricular components

Overview and structure

The complete FYUGP consists of 8 semesters, to be completed in a minimum of 4 academic years. Each academic year has two semesters. Each semester has a maximum

credit allocation of 22. All together the minimum credit requirements for a 3-year programme is 120 and for a 4-year programme, its 160. The minimum credit requirements for GU's FYUGP is as follows:

- (a) Semester I : 22
- (b) Semester II : 22
- (c) Semester III : 22
- (d) Semester IV : 18
- (e) Semester V : 18
- (f) Semester VI : 18
- (g) Semester VII, VIII : 40
- (h) Total : 160

Course-wise credit requirements

Below, we provide the minimum credit requirement for various course along with a mention of their semesters.

(a) Core Course

- a) First Major : 60 (Semesters 1-6)
- b) Minor : 12 (Semesters 1-6)
- c) Second Major (Double Major) : 48 (Semesters 1-6)

(b) Common Course

- a) Multidisciplinary : 9 (Semesters 1-3)
- b) Skill Enhancement Course (SEC) : 9 (Semesters 2, 4-6)
- c) Valued Added Course (VAC) : 6 (Semesters 1, 3)
- d) Ability Enhancement Course (AEC) : 8 (Semesters 1, 2)
- e) Internship : 4 (in any Semester from 3-6)
- f) Research Methodology : 4 (in any Semester in 5 or 7)

(c) For Honours and Honours with Research

- a) Advanced Core, Dissertation : 36 (Semesters 7, 8)

Free credits

In a 3-year duration of the FYUGP, a student can avail up to 12 free credits, 4 credits

each in Semesters VI-VI. A student can either utilise these free credits to study another Minor or a course from 4th year of the course or can just not utilise them at all. See the section on Degree Options to know how to utilise these free credits.

Classes

In GU-FYUGP, during the course of a semester, the word ‘class’ means *contact hours of teaching*. The classes are divided into two groups – (i) Theory and (ii) Practical. Both theory and practical classes can either be Contact Classes or Non-Contact Classes. Contact Classes are those classes which are carried out in a classroom or in a laboratory. All other classes will termed as Non-Contact Classes.

Credits

All classes that a student attends are ultimately converted to academic credits. The following should be noted

- (a) The allotment of a credit for certain course (i.e. paper) is for the duration of a Semester.
- (b) In GU-FYUGP, all credits are calculated on a **weekly-basis** and **one week** is a span of days starting from one Monday to the next Sunday. The conversion from credit to contact hour of teaching is as follows.

$$\begin{aligned} 1 \text{ Credit} &= 1 \text{ Hour of Theory Class} & \text{OR} \\ 1 \text{ Credit} &= 2 \text{ Hours of Practical Class} \end{aligned}$$

- (c) The ‘Theory Class’ can be any of (i) A Teaching Class in a Classroom, (ii) A Tutorial Class, or (ii) Assignments.
- (d) The ‘Practical Class’ can be either (i) A Practical Class Conducted in a Laboratory or (ii) A Project Work.

Conversion to class hours

It is expected that in the course of a Semester, a minimum of 11 (eleven) weeks worth of classes should be conducted. So, a 4-credit theory course should have a minimum of 44 hours of teaching in a Semester, which roughly translates to 44 one-hour theory classes. The following examples explain this conversion in details for a whole Semester.

- (a) A course with 4 Theory Credits
 $4 \times 11 = 44 \text{ Hours of Teaching}$
- (b) A course with 3 Theory and 1 Practical Credits
 $3 \times 11 + 1 \times 22 = 55 \text{ Hours of Teaching}$
- (c) A course with 2 Theory and 2 Practical Credits
 $2 \times 11 + 2 \times 22 = 66 \text{ Hours of Teaching}$
- (d) A course with 4 Practical Credits
 $4 \times 22 = 88 \text{ Hours of Teaching}$

Curricular components

The entire FYUGP curriculum is to be divided into two parts – (a) Core Courses and (b) Common Courses, which are described below.

Core courses

The core courses constitute Majors and Minors. Usually, a student will choose one Major subject and two Minor subjects. Different options are described in the next section. All core courses have a credit allocation of 4. All together, irrespective of any Major or Minor options, a student will necessarily need to study 21 courses with total credit allocation of 84 over a 3-year programme.

Major Course The minimum credit requirements for a Major Course over a 3-year period is 60 which translates to 15 courses (papers).

Minor Course The minimum credit requirements for a Minor Course over a 3-year period is 12 which translates to 3 courses (papers).

Second Major Course Provided a student has a Major Course with 60 credits, s/he can convert one of her Minor Courses to a Second Major only with a credit allocation of 48. In that case, s/he gets a degree with Double Major and Minor.

So, in general the total credit requirements of 84 in core courses translates to a single Major and two Minors. But a student can choose otherwise as well. To know how, see the section on Degree Options.

Common courses

As the name suggests, these courses will have to be studied by all students of FYUGP. Together the common courses have a credit allocation of 36 divided over five subdivisions.

They are

- (a) Value Added Courses (VAC) : Total Credits 6
- (b) Ability Enhancement Courses (AEC) : Total Credits 8
- (c) Multidisciplinary Courses : Total Credits 9
- (d) Skill Enhancement Courses (SEC) : Total Credits 9
- (e) Internship : Credit 4

A brief description of these courses are given below.

• Multi-disciplinary Courses

These are 3-credit courses spanning over five different groups of subjects — (i) Natural and Physical Science, (ii) Mathematics, Statistics, and Computer Applications, (iii) Library, Information, and Media Sciences, (iv) Commerce and Management, and (v) Humanities and Social Sciences. The level of these

courses are of Class XII.

Each student need to take at any three courses, each with 3-credits from these five sub-groups during Semesters 1-3.

• **Ability Enhancement Courses (AEC)**

This is a 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication).

Each student need to complete two courses of 4-credits each – one from English Usage and other from the group of MIL, especially designed for this purpose. These courses have to be taken during Semesters 1-2.

• **Skill Enhancement Courses (SEC)**

These are various skill courses with total credit allocation of 9. In our structure, we shall have four skill courses starting from Semester 1 and in Semesters 4-6.

• **Value Added Courses (VAC)**

The VAC courses will come from four sub groups — (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. All together they will have a credit allocation of 6.

Each student will have to take any two courses, each of 3-credits, from any three groups during Semesters 2 & 3. Here one course from the Environmental Science group is *compulsory* except if the student takes a core course on Environmental Science.

• **Internship**

All student are to carry out an Internship with a credit allocation of 4. The internship can be carried out in any semester during Semesters 3-6. As internships are meant to be done during semester breaks, they will *not* interfere with other classes.

Course levels

- (a) 0-99 : Pre-requisite
- (b) 100-199 : Foundation & Introductory
- (c) 200-299 : Intermediate-level
- (d) 300-399 : Higher-level
- (e) 400-499 : Advanced course
- (f) 500-599 : First-year Masters-level
- (g) 600-699 : Second-year Masters-level
- (h) 700-799 : Doctoral-level *Course levels 0-499 are for FYUGP*

ABC (Academic Bank of Credits)

The GU-FYUGP is directly connected to the ABC (**Academic Bank of Credit**) as notified by the UGC. All credits a student earn at the end of an examination in GU-FYUGP, will be deposited in the ABC by the university.

As such it is mandatory that a student under GU-FYUGP register for the ABC as notified by the regulatory agencies.

Progression and exits

The progression and exits during the whole course structure is given below.

(a) After 1 Year

One can exit just after one-year. In this case, the student will have to complete one extra Vocational / Skill course (Exit Course) of 4 credits and can exit the programme. The student will get a **Certificate**. The minimum total credit requirements is 44 (and 4 credit extra for the exit Vocational / Skill course).

(b) After 2 Years

One can exit the programme after two-year course as well. In this case, the student will have to complete one extra Vocational / Skill course of 4 credits and can exit the programme. The student will get a **Diploma**. The minimum total credit requirements is 84 (and 4 credits extra for the exit Vocational / Skill course).

(c) After 3 Years

If a student completes 3 years, s/he can exit the programme. In this case the student will get a **Bachelor's Degree**. The minimum total credit requirements is 120.

(d) After 4 Years

After completion of 4 years, the student gets either a **Bachelor's Degree (Honours)** or a **Bachelor's Degree (Honours) with Research**. The minimum total credit requirements is 160.

It should be noted that any certificate / diploma / degree is awarded only if the student clears (i.e. passes) all the required courses (papers) till that point of time.

Multiple exits and entries

The FYUGP allows students to have multiple exits and entries. That is a student can exit the programme, say after one year (as shown above) and then again can enter the programme at a later time and can continue the programme from where s/he left. This process can be executed multiple times.

However, the entry into the programme is subject to availability of positions at that point of time and in that institute/college. Besides, the following should apply

- (a) A student will get a certificate / diploma / degree on exit from the GU-FYUGP (depending on in which year the student exits), only when the student passes in all the minimum compulsory courses at that point of time.
- (b) After an exit, either after Year 1 or 2, the student can seek an entry only into the same programme to which the student was admitted.
- (c) When a student exits the GU-FYUGP after 3 years with a Bachelor's Degree, s/he can not seek reentry into the programme at the fourth year, rather s/he will need to take admission into the Master's programme at the first year.
- (d) As the contents (syllabi) of all the courses are subject to modification from time to time, when a student enters into the programme after an earlier exit, the contents of all courses will be what is as per the syllabi at the current point of time.

Inter-institution mobility

The GU-FYUGP allows a student for inter-institutional mobility, both for incoming and outgoing students. For this, GU will take into account the credits a student has in his /her ABC.

For an incoming student, the following should be observed:

- (a) The entry is subject to availability of seats in the concerned discipline.
- (b) The student needs to fulfill all the academic prerequisites of the concerned discipline.
- (c) Gauhati University will award a degree to a student, only when the student will have completed 60% of the credits for core courses from GU.

Degree options

Broadly the FYUGP will have two degree options — (a) Degree in a Stream and (b) Degree in a Discipline. In all cases, the requirements of core and common courses remain the same.

Degree in a stream

Different subjects of FYUGP are divided into three broad streams — (i) Arts, (ii) Science, (iii) Commerce & Management, and (iv) Interdisciplinary. There are the following options under this category.

Degree with Major and Minors

In this case, a student studies one Major subject which consists of 15 courses and two Minors which consists of 6 courses (3 for each Minor). The student can also utilise the free credits to study another Minor as well (3 more core courses in another subject).

Degree with without Major

In this case, a student studies all the three core courses equally over a period of 3-year programme.

Degree with double Major

In this case, a student needs to utilise all the free credits (12 in total) to study 3 more courses of one of the Minors and earn another 24 credits from MOOCs (subject to permission) on the same Minor to earn total credit of 48. In this case, the student gets a second Major in that subject (the Minor subject).

It should however be noted that a second Major (or double Major) can be obtained *only* if the student earns the first Major.

Nomenclature

The nomenclature of the degree in the above cases will be such as Bachelor of Arts / Science / Commerce / Management.

Degree in a discipline

In this case, a student studies all the 21 core courses from a discipline designed for that purpose. These kinds of degrees *will not* have any Major or Minor. An example would be Bachelor's Degree in Information Technology or Bachelor's Degree in Business Administration etc.

There will primarily three types of degrees in a discipline. They are

- (a) Bachelor's Degree in a Discipline
viz. Bachelor's Degree in Business Administration.
- (b) Bachelor's of Arts / Science in a Discipline
viz. Bachelor's Degree in Science in Microbiology.
- (c) Bachelor's of Vocation or Bachelor's Degree (Vocation) in a Discipline
viz. Bachelor's Degree (Vocation) in Small tea Garden Management

Choice of courses

Prerequisites

Prerequisites are conditions which need to be fulfilled prior to admission into the FYUGP. Each subject and its course (paper) has their own prerequisites, which need to be fulfilled by a student prior to enrollment. For example, having Class XII-level Math is a prerequisite required to opt for Physics at the FYUGP.

Here, having a prerequisite necessarily means that the student needs to have passed in the subject. The details of these prerequisites are available in the FYUGP Information Booklet.

Requirements

As opposed to prerequisites, the requirements are conditions which need to be

fulfilled when a student chooses a certain subject or course. For example, when a student wants to study Botany as a subject, Chemistry as another subject must be studied. The details of the requirements are available in the FYUGP Information Booklet.

Course options

Subject to fulfillment of prerequisites and requirements, a student can choose any subject as core subjects. The nomenclature of the degree awarded (whether Bachelor of Arts or Science) will be decided by the group to which at least two subjects belong.

Learning outcomes

The GU-FYUGP courses are based on LOCF (Learning Outcomes based Curriculum Framework) as defined in the UGC's Curricular Framework for the same.

Examination & grading

Examination

The examination modalities of GU-FYUGP will be as per GU's Examination Ordinance.

Grading

After successful completion of the programme, a student will be awarded grade. In GU- FYUGP, there *will not* be any percentage of marks, but all students will be provided SGPA (Semester Grade Point Average) and CGPA (Cumulative Grade Point Average) as per UGC's Curricular Framework.

Fourth year of the GU-FYUGP

The fourth year of the GU-FYUGP consists of one compulsory course on Research Methodology of credit 4, to be studied in Semester VII. The rest of the course consists of Advance Core Courses and a Dissertation. The details of the fourth year will be available later. All students, irrespective of their choice of subjects or degrees can advance to the fourth year either for a Bachelor's Degree (Honours) or a Bachelor's Degree (Honours) with Research.

Fourth year and college

All colleges under GU are allowed to conduct courses for the fourth year of GU-FYUGP, as per published guidelines and syllabi from GU, leading to the Bachelor's Degree (Honours).

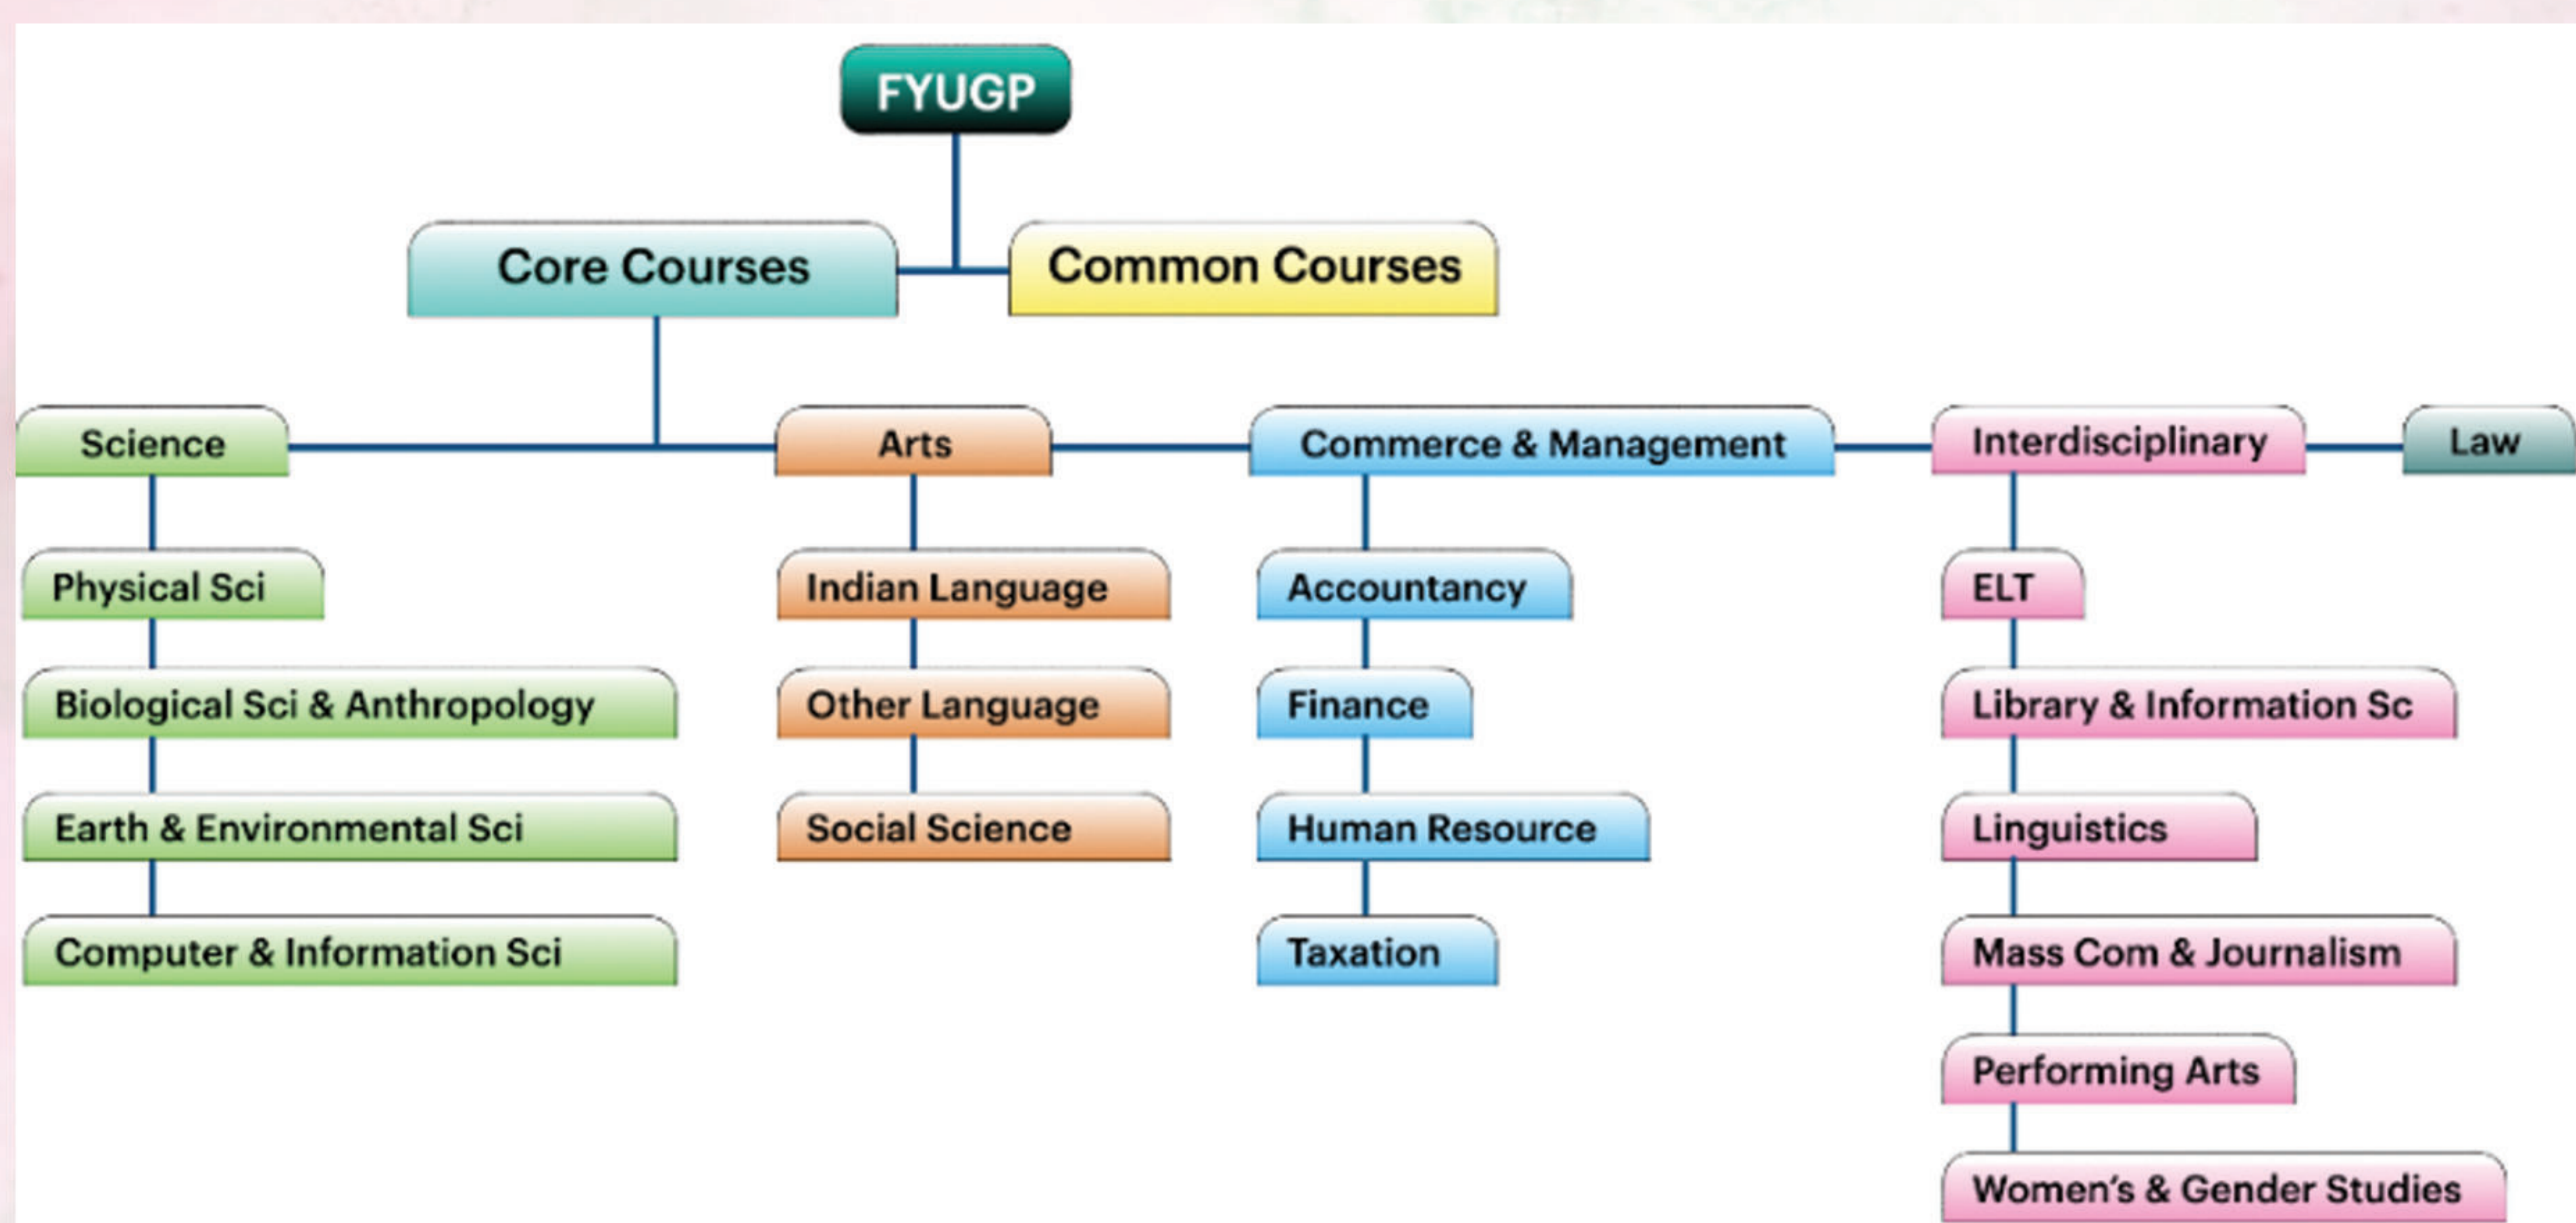

However, to conduct courses for the fourth year leading to the Bachelor's Degree (Honours) with Research, a college must obtain a prior approval from GU, the detailed procedure and guidelines for which will be published later.

Subject Groups

We describe here the Course Groups and Course Verticals. The verticals are groups of subjects for Major and Minors, from which one can choose subjects subject to conditions, which can vary from one vertical to another. There will be however NO conditions to choose subjects between different verticals.

The verticals are themselves are parts of Subject Groups. Some sample Subject Groups are shown below.

ARTS

Sl No	Core 1 (Any one)	Core 2 (Any one)	Core 3 (Any one)	Multi-Disciplinary 1 (Any one)	Value Added Course 1 (Any one)	AEC (Any one)

DEPARTMENT OF ARABIC

ARABIC LANGUAGE: AN INTRODUCTION:

Arabic is the language of an ancient civilization which conducts greatly to all branches of Human Knowledge. It is the living medium of contemporary dynamic literature, culture and trade & commerce. Arabic is the unique language of the oil producing Arabian Peninsula and the national language of the north African countries. Arabic has been employed as one of the leading official language of the UNO. Over and above, Arabic is the sacred language of the Muslim throughout the world. Learning of Arabic language has a great importance to carryout business and gets employment in the Arab countries in addition to discharge the religions duty.

The Department of Arabic:

With the establishment of West Goalpara College in 21st August 1981, the Department of Arabic also opened to impart Higher Education in Arabic as a foreign language to the eligible youths. of the keenly backward area. The H.S. course under AHSEC and bachelor degree level in Arabic is available for study. B.A. Arabic Major Course was introduced in 1996. A large number of alumni from the Department are serving the society by establishing themselves in various fields with success. At present the Department has three faculty members.

DEPARTMENT OF ZOOLOGY

The department of Zoology was one of the very first departments with which West Goalpara College began its journey in the year 2015. Initially only Pass-Course was provided but later in the year 2016 major was introduced with 08 students. Since then, it has been an untiring effort of the department to impart quality education and produce students who are compatible and competent enough to rear themselves a niche in the society. Presently the department is functional with 30 students.

The Department organizes zoological excursion and study tours at different places for studying living animals, their behavior with their habitats. Training programme on Bird Watching, Awareness Bat Training and awareness programmes are highlights of the Department.

Departmental Library is also available with reference books and Journals. The Department of Zoology has a well-equipped laboratory with Research facilities for Project work of Students and Teachers.

DEPARTMENT OF BOTANY

Botany is the scientific study of the physiology, structure, genetics, ecology, distribution, classification, and economic importance of plants. It includes the study of morphology, anatomy, physiology, biochemistry, genetics and their role in maintaining the ecosystems. Botanists study how plants evolve and adapt to changing climates and environments and also how they interact with other organisms. They have a pivotal role in mitigating the loss of biodiversity. With the challenges posed by environmental changes on the existing flora, the significance and scope of Botany has widened to a great extent. With the growing world population, there is continuous need of increasing the food supplies. The search for new drugs, medicines and useful genes for improving crops will continue to create a need for botanical explorers. The Department of Botany focuses on all the aspects discussed above.

TEACHING METHODOLOGY:

The College authority believes that mere theoretical knowledge in subjects is not sufficient for students, so they place equal importance on experimental learning. As per the NAAC guideline, assurance of quality in courses, the following methodology is adopted:

1. Lectures.
2. Group Discussions and holding Seminar Dept. Wise.
3. Live Projectors.
4. Monthly Assignments.
5. Modern Teaching aids including Computer, Laser Projector and Over Head Projector are used.
6. Interaction and preparation for methodology for projects among the students.
7. Learning/ Teaching methodologies are encouraged.
8. Providing Digital Smart Board in Semester Classes.
9. Audio Visual Conference Room for counseling and etc.
10. Sessional Tests for encouraging and upliftments of Student career under Gauhati University Regulation.
11. Spot evaluation process introduced in the college campus

ACADEMIC CALENDER:

The college follows its Academic Calendar for different courses and students have to attend classes, Sessional Tests, Seminars, Lectures, Workshops, organized by the college and respective Depts.

ATTENDANCE:

- A. Every student shall have to attend minimum 75% of classes in each subject to be eligible to appear in the final examination. No claim shall be entertained in this regard and student may be Non-collegiate or Dis-collegiate due to lack of percentage in attendance.
- B. As per UGC guideline, attendance in seminar, group discussion and home assignment organized by the departments in time of course is compulsory for undergoing TDC semester course.
- C. Sessional test is compulsory for undergraduate students of semester system. His / her secured marks in test will be added in concerned semester final examination.

RULES REGARDING INTERNAL AND FINAL EXAMINATION:

Sessional tests will be held in college as per Academic Calendar for each odd and even semester. Unit tests for HS classes for improving overall performances of the students will be held. The sessional tests will be conducted by the department concerned. Students securing marks in subjects concerned will be added in aggregate on the basis of seasonal test, seminar, group discussion and home assignments.

Semester Examinations are conducted by the Gauhati University HS Final Examination be conducted by the AHSEC. Result will be declared by the concerned authorities in time.

STUDENTS' UNION:

The office bearer of Students Union is democratically formed every year as per provision of UGC guidelines. Every students of the college is a member of the union. The Election for Students Union will be held in scheduled time. Separate Union Office is in the College Campus.

COLLEGE MAGAZINE:

The college magazine is published annually. The magazine gives opportunity to students to express their creativity in fields of literature.

KRISHNA KANTA HANDIQUE CENTRAL LIBRARY:

The college has a rich library containing course text books, reference books for the students with internet provision. Book Bank is also provided for meritorious students. Apart from books the college subscribes a number of journals, periodicals, news papers etc. Well equipped reading rooms for teachers and students are available. Students can have accesses to the Library. Books are issued only against the Library card holders. Library Caution Money Rs. 50 has to be paid for Registration in Library. Library remains open from 10.30 am to 4.30 pm in all working days.

DISCIPLINE:

The college pursues the ideals of training, quest of knowledge and healthy life. It lays great emphasis on Mental and Physical Discipline and it is expected the students will strictly abide by the rules and disciplines inside and outside the classroom. Every student will have to behave properly and maintain discipline in College Campus. Students should not indulge in ragging, teasing or intimidating, Drugs- addiction, alcoholism and any other activity involving moral turpitude or criminal activity etc.

HOSTEL ACCOMODATION:

The college has full-flagged Boys' and Girls' Hostels. Application for admission into Boys' and Girls' Hostels is required for admission.

DAY CARE CENTRE:

Day Care Centre is available in the college campus.

MEDICAL HEALTH CARE CENTRE:

Health Care Centre is available in the campus. Regular Health check-up for students and staff by experienced Doctors for Govt. Health Services.

COMPUTER LABORATORY:

The college has well equipped Computer Lab consisting of 22 Nos. of Computers with Internet and networking facilities. It provides an ample opportunity to the students to gain hand on computer applications and efficiency in working with computer.

REMEDIAL / TUTORIAL CLASSES:

The college authority arranges the remedial / tutorial classes for weaker students in different subjects for undergoing TDC courses under UGC grants.

SCHOLARSHIPS:

Students belonging to SC, ST, OBC and MOBC communities of different courses are offered Scholarships from the Govt. of Assam. Minority scholarships are awarded through its Director of Char Area Development. The UGC sponsored a good number of scholarships for undergoing meritorious students of TDC Courses from BPL and non-creamy layer. A special scholarship is launched by our college for the highest marks holder in HS and Degree final year students in memory of Late Abdur Rahman, the founder GB Secretary of West Goalpara College

INCENTIVES:

1. Bus fare for undergoing regular students of Degree Courses about a distance 14Km apart from the college is admissible Under UGC grants and Govt. direction.
2. Free hostel facility for outsiders will be provided for undergoing students of Degree Courses as per rules.
3. Disable students for undergoing Degree Courses be provided all facilities as required as per Govt. direction.

STUDY TOUR:

All regular students undergoing TDC Semester Courses are entitled to avail study tour during their period of study under UGC grants and Departmental concern.

CANTEEN FACILITY:

The College has one canteen for day scholars, hostellers, teaching and non-teaching staff of the College. A variety of tasty hygienically prepared food is available at specially subsidized rate.

GYM FACILITY:

The College has one well equipped multi Gym in the campus which provides the students the opportunity to build up their physical and mental stamina to be better able to cope with the rig ours of life.

OTHER FACILITIES

- * Experienced Teaching Staff.
- * Well Equipped Science Laboratory.
- * Digital Class Room & Digital Library.
